

High quality warehousing,
fully designed to meet your wishes
and requirements.

That is what Axell Logistics is all about.
How can we be of service?

Warehousing

Strategically located between the European gateway harbors of Rotterdam and Antwerp along the A58 and close to the A16 and A27 motorways, Axell Logistics has over 100,000 sq.m of dedicated and public warehouse space available for your logistical requirements.

Warehousing, the storage of goods in warehouses, managing the incoming and outgoing goods and order flows, is an important part of your supply chain. With more than 85 years experience, Axell Logistics is a reliable partner in this respect and supports you with smart warehouse concepts which are attuned to your requirements. As a partner, we work with you and are willing to invest in new warehouse concepts which are adapted to your supply chain!
